NEW PANSY SEED PRICES

Effective December 15, 1945

STEELE'S PANSY GARDENS

2715 S. E. 39th Avenue
PORTLAND 2, OREGON

TO OUR CUSTOMERS:

We regret to tell you that in 1945 we suffered a partial crop failure due to weather conditions and the shortage of man-power and material; this at a time when the demand for our seed is greater than at any time in the history of our organization.

Our strains are priced according to cost of production plus a reasonable margin of profit. Since our costs this year were as high as we have ever known, it is necessary for us to make an adjustment in prices. This will make it possible for us to produce the highest quality pansy seed for you and for the satisfaction of your customers.

These prices, effective December 15, 1945, will replace all other price lists which you may have.
